Making adult training services more inclusive

Pilot of IO1

The partners of the CONSIDER project have piloted the first Intellectual Output: the Quality Framework. This pilot was performed internally and externally. The aim of this pilot was to test the Quality Framework by studying it and implementing a relevant exercise or activity and to offer the participants the opportunity to think about inclusion

Pilot of IO2

The partners of the CONSIDER project have piloted the second Intellectual Output of the project: the Assessment tools. The pilot was performed with both trainers and managers of adult training organisations that had the opportunity to test the 2 assessment tools developed during the project.
